Committee: Greenstein for Congress (C00558171)

Ms. Amrhein,

We write in response to the Commission's letter dated November 6, 2014, regarding the Committee's July Quarterly 2014 Report.

The Committee has done its best efforts to obtain the employer and occupation for all contributors who have an aggregate contribution of \$200 or more. The Committee includes a best efforts notification on all solicitation materials and if an employer and occupation is not supplied when a contribution is made, the Committee follows up to ask solely for the employer and occupation with first a phone call, then an email, and then a letter within 30 days of the initial contribution. The Committee has received new information for the following contributions which were disclosed on the July Quarterly 2014 Report.

The Committee has also updated its Statement of Organization to include an active email address so that all future correspondence will be received.

If you need any further information, please contact the Committee.

Respectfully,  
Jennifer May  
Treasurer
